The **rock**. There is something here that **calls** to me.
A place where the game of **golf** merges with the
natural landscape to create **something**
special. It's **close-by**, but it feels
far-away. I come here to **challenge** myself.
I come here to **escape** from the world. I come here
to **share** with my **friends** and associates.
This is **my place**.

Junior Policies

The Golf Course at Shining Rock features dramatic slopes, steep hills and occasional forced carries over environmental areas. To facilitate pace of play, the course observes a mandatory cart policy for all golfers through most of its operating hours. Juniors under the age of 16 must be accompanied by an adult aged 18 or more when playing the course. For the enjoyment of all players, the course is not appropriate for golfers under age 14.

Cancellations/Refunds

At least 24 hours must be given to change or cancel your reservation. If the cancellation is not made within this time frame, the credit card holder is responsible for all applicable charges and will automatically be billed the full price for all players booked under the reservation.

Local Rules for environmental areas

In accordance with The Rules of Golf Section 33-8, the local committee has established local rules for areas on the course marked with stakes with green caps and "environmentally sensitive" designation. Golfers are directed not to attempt to retrieve a ball within the marked areas. Drop areas are provided adjacent to the hazards on each hole. Should a ball enter the designated areas, you may play one provisional ball from the location of your first shot. Should your provisional ball also be lost, please proceed directly to the drop area to facilitate pace of play. Golfers found entering the environmentally sensitive areas will receive one warning. On the second offense, the golfer will be asked to leave the course without refund.
